Online Financial Security

TopLine will never contact you to ask for your personal information.

Be aware of those that contact you and ask for your identifying information, like account numbers, PINs, CVV security codes, social security numbers, DOB; most likely this has the potential of being a scam.

Tips to Avoid Fraud

Do not click on links or attachments in emails or text messages that you do not recognize. If you hover over a link in an email, you will be able to see the location where the link will take you. Often, a link is suspect if it is long, confusing, contains typos, or mentions domains you do not recognize.

i TopLine is here to help. Please contact us anytime at 763-391-9494 or email Ask@TopLinecu.com.

Digital Wallets Now Available at TopLine!

TopLine is excited to announce the launch of our new Digital Wallet capabilities for both our credit cards and debit cards.

So how does it work? Digital wallets contain digital versions of your credit card or debit card that are stored in wallet apps on your mobile device (smartphone, smartwatch, tablet). Instead of using your plastic card to make purchases, digital wallets offer a convenient way to pay by allowing you to simply use your phone to pay in stores, in apps, or online.

So how do I add my TopLine credit card or debit card to my digital wallet?

You will need to download your digital wallet of choice from the Apple App Store or the Google Play Store and follow the prompts to load your credit and/or debit cards. TopLine credit cards and debit cards are compatible with the following digital wallets: ApplePay, Google Pay, Samsung Pay, Fitbit and Garmin.
